

Dear registered ENTR Lot 8 Stakeholder,

We would like to inform you that a stakeholder meeting for the preparatory study Lot 8 on Ecodesign for Power Cables in Indoor Electrical Installations will be held in Brussels on December the 5th, 2013. The main objective of this meeting is to discuss the technical aspects related to the study (Task 1-3 reports) and present the next steps of the analysis. The exact location will be sent to you as soon as it has been determined.

Details about the study and other information are available on the ENTR Lot 8 website www.erp4cables.net. All relevant documents will be published on the ENTR Lot 8 website prior to the stakeholder meeting.

For security reasons, participants to a meeting organised at the European Commission need to be identified in advance via a registration system (e-Pass). Please confirm therefore your participation by email before December the 2nd with your passport or identity card number by e-mail to: info@erp4cables.net
